# Community Project

**U**

In your expert group choose a community project that might have happened in Buxton at the time your couple lived there. It could be a cabin or barn raising bee, or a quilting bee, or a church social such as a strawberry social, a debate, concert or a barn dance. It could also be a part of a school day or a church service.

**X****t**

You will portray any member of your assigned family who might have been at this occasion. Create a one act play portraying a realistic scene at this event. You will need to have a part for each person in your group. You will also need to create appropriate costumes and props for your play. Your completed play does not need to be any longer than 3 or 4 minutes but must have appropriate dialogue.

**o****n**

Perform your scene for your classmates.

These children used to play for Sunday School picnics.

Children often made up their games to play outside at school.
