Buxton Business & Professional People

Using the sheet “Buxton Business and Professional People”, decide who you would need to see to get each of the following tasks and situations taken care of. Write in the name of the appropriate person from Buxton in the 1850-60’s for each of these tasks or situations. You may only call on each person once.

1. Getting your corn ground into flour. _____

2. Your wife is ready to have her baby. _____

3. Your horse needs a new shoe. _____

4. You want to have the ditch dug deeper along your property line.

5. You need a barrel of salt. _____

6. Wealthy guests are coming from out of town, and need a place to stay.

7. Your son wants to learn Latin and Greek. _____

8. You need a new table in your kitchen. _____

9. Your daughter wants to play the piano. _____

10. Your daughter wants to get married and you need to arrange for the ceremony. _____

11. Your son has grown out of all his shoes and needs a new pair.

12. Your baby has a cough and a fever. His fever is getting higher and the cough is getting worse. _____

13. You have a broken arm and can’t shave yourself but you need a shave.

14. Your son has been out of school for two weeks and you want to get some work for him to do at home. _____

15. Your daughter is talented and wants to take music lessons.

16. Your father has just passed away and you need to arrange for his funeral.
